Connecting Markets, Delivering Value

lefoison.com

OCTOBER 2026

COMPANY OVERVIEW

Trade begins with a clear brief.

Le foison is a Dubai-based general trading company handling business enquiries across building materials, safety equipment, custom uniforms and coffee.

We begin with your product requirements, quantity and delivery destination, then discuss suitable supply options and confirm the scope of the quotation.

01

Building materials

Construction materials, aggregates, tools and site consumables.

02

Safety equipment

Protective products, workwear and traffic safety products.

03

Custom uniforms

School and company uniforms made to your requirements.

04

Coffee

Coffee supply enquiries for business buyers.
